

2015 – 2016 Skills Test Schedule & Information

Each player **must undergo a skills test**. The purpose is to ensure all teams are as equal as possible. All players (**except 5 year olds**) must undergo a skills test, even if your child played with SCYBA last season. All coaches will be present at the skills test to evaluate and rate each player. A draft will be held where coaches will select players for their team.

Any player who does not undergo a skills test will not be drafted but, will be drawn from a hat at the end of the draft. This could cause unevenly balanced teams, particularly if more skilled players are drawn from the hat. Therefore, please make every effort to ensure your child participates in the skills test.

If for any reason you are unable to attend the Saturday sessions, you can attend the makeup session. However, we **strongly** encourage all players to attend the Saturday session due to limited time slots during the makeup session. **PLEASE PLAN ON ARRIVING 15 MINUTES PRIOR TO YOUR TEST TIME!!!**
