

SCYBA Needs Your Support

Why sponsor SCYBA?

South Cobb Youth Basketball Association, Inc. (SCYBA) is a non-profit organization that is 100% operated by volunteers. Our mission is to teach boys (5-18) and girls (5-14), the game of basketball, build character and teach them sportsmanship that is necessary to succeed on and off the basketball court. Please support our mission by donating to our program.

SCYBA depends on individual and corporate sponsors to keep our organization strong. SCYBA graciously welcomes all sponsors and your donation will directly benefit the children in our program and community.
